WITH OVER 450,000 SQUARE FEET OF OFFICE, SHOWROOM, MANUFACTURING AND DISTRIBUTION SPACE IN MONTREAL, TORONTO AND PRINCE EDWARD ISLAND, WE ARE SET UP TO EFFICIENTLY SERVICE OUR MANUFACTURERS AND CUSTOMERS ALIKE.

Having developed a portfolio of brands and serving as the strategic partner for select houseware manufacturers, our extensive knowledge of products positions us as a leader in the industry.

About Accent Home

A relationship with Accent is an investment in your customer.

Accent Home, a division of Accent-Fairchild Group, has been a pioneer in the field of home storage for over four decades. As one of North America's largest food storage manufacturers and distributors, we are an industry leader in category innovation and design. The products we develop and produce are engineered to provide the best value, durability and reliability. Our wide-range of storage and organizational solutions are conceptualized to address the evolving needs of today's consumer with a family of products that appeals to every market.

Vision, Mission & Values

At Accent Home, we are motivated to build a better tomorrow by continually reducing our carbon footprint and ensuring we implement environmentally friendly practices. Our first step in reducing waste starts by designing and producing quality products from re-usable materials. We manufacture domestically using renewable resources, and the components that do not meet our rigid quality control standards are recycled and given new life. Just a few of our many commitments towards a greener and more sustainable future.

Committed to a greener and more sustainable future.

Control Your Destiny

Our world-class, vertically-integrated and fully-automated operation allows us to consistently deliver premium quality products and offers the flexibility to accommodate a host of custom and private label requirements. With 26 state-of-the-art injection moulding machines and the only cookware factory in Canada, we have the infrastructure to develop a comprehensive range of products and deliver them to the market with speed and versatility.

A Custom Solution for You

Our broad manufacturing capabilities and comprehensive product assortment can be tailored to ensure the individuality of your brand. Whether you're looking to stay on trend or on-brand, we will collaborate with you to develop a cohesive assortment that addresses your unique needs and preferences.

Form Follows Function

For a product to leave a lasting impression, functionality is only one component.

Through passion, persistence and great design, we strive to make our products as aesthetically pleasing as they are ergonomic, practical and durable. Our team of world class designers and engineers work hard to perfect the experience you will have with our products.
